How to Play T.G.L.N Bingo

* Choose your card from the list of cards.

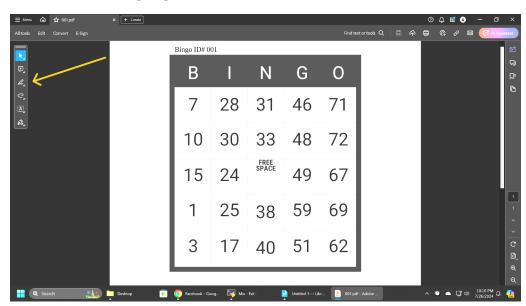

* When you find the card click & download it.

How to play on a Computer or Tablet with a stylus pen.

When you open the card it should open an adobe PDF app.

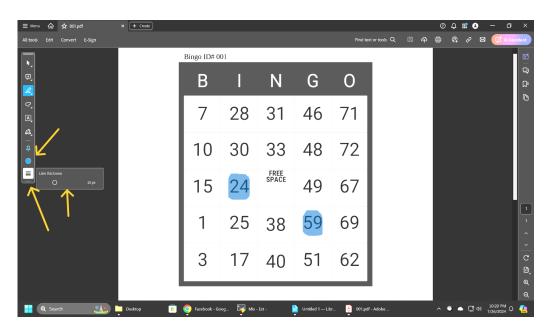

Now select the highlighter tool.

Make sure the highlighter is checked.

Select your color & line thickness. (Tip: color – blue & line 40 - 45)

Now practice your highlight skills. LoL

If you make a mistake just hit <CTRL+Z> to fix.

How to play without using a Computer or Tablet

(Not recommended to print the cards)

- * You can copy the card on paper & use coins or buttons to mark the numbers
- * You can print off a blank bingo card from the site and write in the numbers.

(Make sure to write down the id number on the card)
